### PROFILE

I am a college student with a passion for computer science. Technology has always intrigued me, and I am thrilled to be pursuing a degree in this field. The endless possibilities of coding and programming fascinate me, and I look forward to contributing to innovative solutions in the tech industry. As I continue my studies, I am excited to embrace new challenges and expand my knowledge in the ever-evolving world of computer science.

### WORK EXPERIENCE

#### WEB DEVELOPER

OASIS INFOBYTE 2024

- Actively participated in web development projects during the internship, gaining practical experience in HTML, CSS, and JavaScript through tasks such as building and styling web pages.
- Faced real-world challenges in debugging and troubleshooting code, honing problem-solving abilities and deepening understanding of HTML, CSS, and JavaScript concepts.
- Enhanced website interactivity by incorporating JavaScript functionalities, such as form validation and dynamic content updates, contributing to improved user engagement and overall site performance.
